

**SAINT FRANCIS UNIVERSITY
DEPARTMENT OF PHYSICIAN ASSISTANT SCIENCES
MASTER OF PHYSICIAN ASSISTANT SCIENCE
GRADUATE STUDENTS
EXPENSE SHEET**

The following is a projection of costs for a physician assistant student based on current charges (for graduate students enrolling for the first time in 2020-2021), put in a worksheet format so that you can add your own expenses and project what your costs may be. Life style varies from individual to individual and, therefore, the expenses will vary from student to student.

All institutions raise tuition and other expenses periodically and, not having a crystal ball, we can only share with you that tuition may go up in years to come.

You can calculate your own expenses, allowing for extras such as room and board, clothing, entertainment, etc.

Students are expected to provide their own reliable transportation during the didactic year and it is necessary to have a car during the clinical year due to the travel necessary to and from rotation sites.
