

SAINT FRANCIS UNIVERSITY

Start by doing what's necessary; then do what's possible; and suddenly you are doing the impossible. — Saint Francis of Assisi

2015-2016 President's Report

MESSAGE FROM THE PRESIDENT

Rev. Malachi Van Tassell, T.O.R., Ph.D.

Saint Francis of Assisi received the stigmata, the wounds of Christ, in his flesh. This life-changing event took place on Mount LaVerna in central Italy, two years prior to his death. It was a transformational moment that brought him closer to Christ. By receiving the wounds of Christ, Francis became more like the One he had chosen to imitate.

Our strategic plan, *Francis 2020: A Clear Vision for Saint Francis University*, outlines the importance of transformational experiences for our students. Such experiences can occur as the student deepens his or her faith at Saint Francis University. Sunday Mass, campus ministry activities, mission trips during spring break, and so many other opportunities help our students to grow in faith and love of Christ.

This year, a record breaking number of students put their faith into action on Reaching Every Door (R.E.D.) Day of Service. This year we held R.E.D. Day on October 4th, the feast of our patron, Saint Francis of Assisi. The day of service and learning initiatives found students serving the local community in groups and individually. This year was especially significant as we partnered with the Association of Franciscan Colleges and Universities to highlight October as a month of service learning initiatives sponsored by the twenty-four member institutions.

Earlier this year, the University honored Philadelphia-based Project HOME. As part of the **Rev. Gabriel J. Zeis, T.O.R. Endowment in Franciscan Studies and Roman Catholic Theology**, we presented Sister Mary Scullion, R.S.M., co-founder of Project HOME, with the *Spiritus Paenitentiae* Award. This award is given annually to a person or organization who embodies the spirit of either Saint Francis, Saint Clare, or Dorothy Day. By empowering homeless people and assisting them in moving out of poverty and into mainstream society, Project HOME embodies the spirit of Dorothy Day. Lou '59 and Pat DiCerbo, who have committed to funding \$1 million for the endowment, were a part of the ceremony honoring Project HOME.

The University's promotional video, *Become That Someone*, is the focal point of our new marketing strategy. This theme, which sprang from the friendship of Jack Twyman and Maurice Stokes, appeals to prospective students and their parents. As a Saint Francis University student, an individual can become the person God is calling him or her to be. A student is positively impacted by any number of transformational experiences: through study abroad opportunities, co-curricular activities on campus, experiences with organizations and clubs, NCAA Division I athletics, and a superior academic program which transforms the student into a professional in a career position.

In the spirit of providing transformational spaces for our academic programs, fundraising efforts are underway to transform Sullivan Hall into the home of the School of Health Sciences. When this project is complete, all of our health sciences students and faculty will be under one roof in state of the art facilities. Students from all Health Sciences majors will collaborate side-by-side, enhancing their experience and preparing them for professional practice.

I am pleased to present you with the **2015-2016 President's Report**. In these pages, I highlight the many transformational experiences and accomplishments of the University during the past academic year.

May the Lord bless you for your generosity!

Fr. Malachi Van Tassell TOR

Health Sciences

I am a sophomore majoring in nursing. This scholarship will help me to achieve the goal of becoming my dream job, a nurse. I am big-hearted and very loving person so I am very excited to have the opportunity to care for others. I cannot wait to be able to care for patients while putting a smile on their faces. My mother went back to nursing school a few years ago and it was a very trying experience for her. Seeing her persevere through the good and bad times of nursing school while caring for my siblings and it truly inspired me.

Thank you so much again for providing this scholarship assistance.

Arts & Letters

I am currently a junior majoring in Early Childhood and Special Education. I hope to one day become a teacher and have a classroom of my own. This scholarship will help to me attain my goal of becoming a teacher, which is something I have wanted to be since I was in the 6th grade. In 6th grade, I had two wonderful teachers who inspired me to become a role model for young children in education. I have already received much knowledge and practice with the teaching profession since being enrolled at Saint Francis and I am eager to keep learning and growing as I finish my last years here.

Thank you again for providing me with this scholarship assistance.

1847 LEGACY SOCIETY

The 1847 Legacy Society recognizes the enduring value of education. It celebrates the vision of the founding friars who laid the foundation for what is now Saint Francis University. Like those founders, donors who support the University through bequests, charitable gift annuities, charitable trusts, life insurance, and other planned vehicles, are building a foundation for future generations. Legacy Society gifts help the University fulfill its promise of a high-quality education grounded in our Franciscan values.

Saint Francis University's Planned Giving Program

Saint Francis University has created an easy-to-understand planned giving web site at www.francis.edu under "Alumni/ Friends" to help you plan—and dream—a little about your future and ours. There are many easy giving options from which you can choose—strategies that enhance your personal well being, as well as that of Saint Francis University.

The site features a "Build Your Gift" planner, an interactive tool that guides you through the process of narrowing down your choices. If you already have gift options in mind, click on "Compare Gifts" to see how your choices match up or click on "eBrochures" to request specific information on a planning option. For more information, contact Robert Crusciel '86, vice president for advancement, at 814-472-3021 or rcrusciel@francis.edu.

Memorial Book

The memorial book program provides another distinct opportunity to recognize a special individual. Donors, with the assistance of a member of our library staff and our advancement staff, select a book of their choice that is then added to the collections of the Saint Francis University Library. An attractive book plate with an appropriate inscription is placed on the inside cover. The cost of a memorial book begins at \$50 depending on the style of the book selected.

Memorial Tree

The memorial tree program provides an opportunity for a tree to be planted on campus in the name of a special person in your life. Many planting sites for a wide variety of trees are available throughout campus. A member of our landscaping staff and our advancement staff will help you select a tree and/or planting site. A brass plaque inscribed with the appropriate citation will be placed at the base of the tree. Trees will be dedicated for the natural life of the tree, if a tree dies within two years of planting, the tree will be replaced at no cost. The cost of the memorial tree is \$1,000.

President's Update

It is my pleasure to share with you University highlights from 2015-2016 and three distinctive campus initiatives. My hope is that this update exemplifies the transformational experiences we are blessed to provide to our students. Through your generosity, they are able to pursue their education in their chosen professions and are provided with unique service, study abroad, and co-curricular experiences.

With your enduring support, we can build on these opportunities for our future students. We will continue to provide a Catholic, Franciscan setting where our students can work hard and reach high to achieve their goals. With our guidance, they will gain the confidence and knowledge to "become that someone."

R.E.D. Day: Students Reach Every Door During Annual Day of Service

A record-breaking total of 447 students, faculty and staff turned out to make Reaching Every Door (R.E.D.) a huge success, completing more than 1,081 hours of community service in just one day.

Now in its sixth year, Reaching Every Door (R.E.D.) is a single day of service in which Saint Francis students go into local communities to show appreciation for all of the support that these communities provide to the University year-round.

This year, R.E.D. was held on October 4, the feast day of our patron, Saint Francis of Assisi. Just as Saint Francis ministered to the poor and down-trodden, the University community continues that tradition by serving the local communities; especially since many of the requests come from those who are physically challenged and elderly and are asking us to do projects they are unable to do.

R.E.D. is organized by the Saint Francis chapter of Gamma Sigma Sigma (a national service sorority), and members of the Saint Francis community sign up as individuals or groups to volunteer in communities surrounding the University as a way of saying "thank you."

Saint Francis University isn't alone in the tradition of highlighting service during the month of October. The 24 member schools of the Association of Franciscan Colleges and Universities (AFCU) across the country provided service and outreach to the communities they serve throughout the month.

The Rev. Gabriel J. Zeis, T.O.R. Endowment in Franciscan Studies and Roman Catholic Theology

Students at Saint Francis University have a unique opportunity to delve into the study of their faith and the Catholic Franciscan tradition that are a vital part of the University’s mission thanks to a generous endowment fund that is covering the costs of workshops, lectures, and travel related to Franciscan and Roman Catholic themes.

In 2013, Lou ‘59 and Pat DiCerbo committed \$1 million to the University to create this new endowment fund, The Rev. Gabriel J. Zeis, T.O.R. Endowment in Franciscan Studies and Roman Catholic Theology, in support of furthering the school’s Catholic-Franciscan mission. DiCerbo is a 1959 graduate of Saint Francis, a 1997 Distinguished Alumnus of the University, and a member of the Financial Services Management Hall of Fame.

Activities supported by the fund reach out to those who share affinity with the University’s patron saints, Saint Francis of Assisi and Saint Clare, as well as Servant of God Dorothy Day (a Catholic social activist whose name adorns the University’s peace and justice center.)

Since its inception, the fund has supported activities including:

- ◆ A once-in-a-lifetime pilgrimage for students and staff to Philadelphia to witness Pope Francis’ historic U.S. visit in March 2016.
 - ◆ The annual ceremony to honor those who exemplify Franciscan values with the Saint Francis of Assisi Spiritus Paenitentiae (Spirit of Penance) Award. The inaugural awardees in 2014 were The Sisters of Life and Fr. Mychal Judge, O.F. M. (posthumously) and most recently in June 2016, Project HOME of Philadelphia, PA.
 - ◆ Guest lectures by renowned scholars including Fr. Dan Horan, O.F.M. who spoke on “A Franciscan Response to Racism and Fear of the “Other” in Today’s World” in October 2016.
 - ◆ The upcoming visit to campus of Cardinal Timothy Dolan on March 30, 2017, which will include a public Mass on campus as well as a fundraising dinner in support of the endowment.
- Information on the endowment can be found here: www.francis.edu/franciscan-studies-endowment/

Transformational Experiences Matter: The L.I.S.T.

When students graduate from Saint Francis University, each is a different person than when he or she arrived on campus. It is our role to help them find their individual path to “walk with Saint Francis” in order to become the person who they are meant to be.

Given that core component of the University mission, it isn’t surprising that when University leaders gathered to create the current strategic plan: *Francis 2020*, the theme of fostering “transformational experiences” appeared as a critical goal of the University as a whole.

The group identified six areas that all agreed were instrumental in graduating caring, competent professionals who will carry Franciscan values into their future careers:

- | | | |
|---------------|--------------------------|---------------------|
| ◆ Internships | ◆ Study abroad | ◆ Community service |
| ◆ Research | ◆ Leadership experiences | ◆ Campus ministry |

To communicate the importance of these experiences to students, the SFU community developed the **Leadership, Involvement, and Service Transcript (L.I.S.T.)**. Through this initiative students are able to create an official University document which lists their accomplishments and contributions outside of the classroom in the six areas of Transformational Experiences. Students will be able to share this transcript, along with their official academic transcript, with future employers as a way to quantify the overall occupational value of their Saint Francis education.

Learn more about this effort at www.francis.edu/list.

FRANCIS THE BUILDER

The construction of new spaces on campus must be aligned with and be designed to enhance the living and learning environment of the University. This will be done through a careful use of space that will foster greater interaction between faculty and students and provide greater opportunities for students to form cohorts of engagement. Attention to environmental sustainability will be fostered as a part of campus culture and will be considered in all building project designs.

FRANCIS THE GOOD STEWARD

The University must be financially viable so that it can remain mission driven. It is imperative that the University become fully engaged in a pathway to accountability that will elevate academic performance by reducing costs, increasing revenue, and growing the endowment as well as the capital and annual funds. This vision of strategic stewardship will require creativity in marketing, effective fund-raising, and fiscal accountability.

Sciences

I am a sophomore biology pre-med major. My ultimate goal is to become a pharmacist and run my own practice one day. With this scholarship my goal can become a reality. Ever since I began middle school I knew I wanted to become a pharmacist. I was able to job shadow a pharmacist while in high school and this helped me determine what I want to do in life. I am very much looking forward to studying biology and one day making it into graduate school to attend pharmacy school.

I just want to say thank you again. This scholarship means so much to me and will help out with financial assistance. I feel truly honored to have obtained this scholarship and words cannot truly say how grateful I am.

Business

I am a freshman at Saint Francis University majoring in Business Administration with an emphasis in Finance. I plan to pursue a career in business finance and investment banking. Thanks to you, I am one step closer to that goal.

By providing me with this scholarship, you have lightened my financial burden which allows me to focus more on the most important aspect of school, learning. Your generosity has inspired me to help others and give back to the community. I hope one day I will be able to help students achieve their goals just as you have helped me.

Sciences

As the scholarship implies, I am a sophomore Computer Science major pursuing a Bachelor of Science degree. As a special needs student, I tend to perform better in a smaller scale setting, which can be cost prohibitive. Compiled with the fact that I am the oldest of six children, there is a substantial financial burden regarding my education. Because of generous gifts such as yours, I am able to pursue my academic interests in a setting that is most conducive to my learning.

I am grateful for your financial support.

Kyle V. Dumouchelle
recipient of the
Joseph and Marguerite DiSepio Scholarship in Computer Science

Health Sciences

I am currently a sophomore majoring in physician assistant science. This scholarship will help pay for the expenses of attaining my degree as a physician assistant. I have wanted to be a physician assistant since I was a little boy when my pap was in the hospital for the later years of his life. I was inspired to work in the medical field after he passed away because I want to be the person that can make a difference in someone's life. I have started to take some of my introduction to medicine classes which has been very exciting for me.

Thank you again for this generous scholarship as it will be a great assistance to me as I continue my educational path.

Corey M. Kalinyak,
recipient of the
Peter and Memi Melotti Scholarship

Donors appear in their respective categories: Saint Francis Society, Giving Clubs, Parents, Friends, Stokes Club, Red Flash Future Program, Capital Gifts, Matching Gift Companies, Business Scholarship, Memorial and Recognition Gifts, and Alumni Association Members. Endowed Scholarships are also listed. Married alumni are listed as Mr. and Mrs. in their respective giving clubs and in the husband's class year. Female spouses are listed individually in their class years.

In order to standardize the listing of donor names, the prefixes Mr. and Mrs., religious prefixes and suffixes, military titles, political titles, and the designation of Dr. for M.D. or Ph.D. have been used.

Every effort has been made to make this report as accurate as possible. If your name has been omitted, misspelled, or misplaced, we sincerely apologize. Please let us know if there is an error by contacting us.
